EARLY DECISION AGREEMENT– Early Decision is the application process in which students make a commitment to a first-choice institution where, if admitted, they definitely will enroll. While pursuing admission under an Early Decision plan, students may apply to other institutions, but may have only one Early Decision application pending at any time. Should a student who applies for financial aid not be offered an award that makes attendance possible, the student may decline the offer of admission and be released from the Early Decision commitment.

The institution must notify the applicant of the decision within a reasonable and clearly stated period of time after the Early Decision deadline. Student must send the deposit within two weeks of receipt of an offer of admission (and financial aid package, if applying for aid).

Yes, I have read and understand my rights and responsibilities under the Early Decision process.
