

MetroLink 2012

The purpose of MetroLink is to connect you with alumni, parents, and friends of the College who can help you make connections in a career field that you are interested in pursuing upon graduation. For over twenty years, MetroLink has made it possible for students to connect with professionals in Boston, New York city, and Washington D.C. The results have been fantastic...networking connections that have resulted in full time jobs, internships, and invaluable information and guidance not found anywhere else.

The program is competitive and if you are serious about your postgraduate success, then this is the program for you.

*Please note that it is **very possible** for students to participate in a J-term program abroad **AND** MetroLink. The MetroLink trip does not conflict with J-term programs.*

The program is open to all majors. We require a minimum GPA of 3.0.

MetroLink 2012 Facts:

- MetroLink takes place during your February break (Monday, 2/6 – Friday, 2/10, 2012)
- MetroLink travels first to Boston then to New York City
- During the trip you will connect with alumni, parents and/or friends of the College in the career fields you are interested in, attend an alumni panel discussion and host a networking reception in each city; students will be lodged together in a hotel or hostel.
- The trip costs \$450

To apply, please submit the following:

- MetroLink Application (see attached form)
- Resume on hartwick.optimalresume.com
- One faculty or staff recommendation (see attached form)
- A one page statement that addresses the following two items;
 - 1) What are your career goals?
 - 2) What specific companies, organizations, and/or career fields would you like to be connected to?

Each applicant is asked to attend a short interview with a career advisor. When you submit your application, you will be asked to select an interview time. If you have any questions please contact Lara Sanford at ext. 4048 or sanfordl@hartwick.edu.

Program is subject to cancellation due to low enrollment or inclement weather.
