THE FINE PRINT...

- If you would like to receive updates about the progress of cabin availability, please provide summer contact information with this application.
- Portions of the Lodge will be reserved for a first year living learning community.
- All First Year Students must live in Robertson Lodge.
- We try to accommodate all requests, but priority is given to academic needs of the students involved. Otherwise, housing assignments are made by Pine Lake Housing Points combined with College housing points. Pine Lake Housing Points are cumulative: we total the points of everyone applying for a cabin together. See the Pine Lake Handbook [on line] for more details.
- Students living at Pine Lake may not be under College Disciplinary Sanction and should be in good academic standing [GPA over 2.5]
- All College Policies are in effect at Pine Lake.

To complete your application, please respond to all of the following questions. Be creative. It's more fun to read...

- Pine Lake residents are required to perform 12 hours of community service to Pine Lake per semester. What type of projects would you be interested? How do you see yourself contributing to the Pine Lake campus?
- Why do you want to live at PL? How does living at PL fit into your social, academic, career or personal goals?
- One of the PL objectives is to develop a sense of community. What role do you see for yourself in pursuing that goal? How will PL benefit from your residence at PL?
- Improving the interaction and communication between general campus culture and PL is another goal. Besides inviting your friends to visit, how can you contribute to that?
- Please tell us how the concept of sustainability relates to yourself and a liberal arts education.
