TITLE IV FUNDS  
AND EDUCATIONALLY-RELATED ITEMS

Federal regulation states any student or parent with Title IV (Federal Financial Aid) funds must give authorization to use these funds to pay for educationally related charges other than tuition, fees, room and board. These funds include PELL, SEOG, SMART Grant, ACG, Perkins, Stafford and PLUS loans. If you wish to give your authorization to have additional academic charges deducted from any excess financial aid funds, please sign the statement below. If you do not have Title IV funds this year, but may in future years, you may wish to sign at this time. **Without this authorization, students solely funded with Title IV funds will not be allowed to charge items to their student account at the bookstore.**

Should you have any questions regarding the authorization or regulation, please feel free to contact the Office of Student Accounts at 607-431-4300.

Sincerely,

Regina Baker  
Director of Student Accounts
