Connecting to the Hawks-Secure Wireless Network – Macintosh

- 1. In the Menubar, click the wireless icon
- 2. Select Hawks-Secure
- 3. Leave the mode at automatic
- 4. Enter your Hartwick network username (without the @hartwick.edu)
- 5. Enter your Hartwick network password
- 6. Click Join

- 7. When asked to authenticate the Hawks-Secure network, click Continue
- 8. Enter the username and password for your Macintosh laptop
- 9. Click Update Settings

	Varify Cartificate
	Verify Certificate
\bigcirc	Authenticating to network "Hawks-Secure"
	Before authenticating to server "*.hartwick.edu", you should examine the
िंह	server's certificate to ensure that it is appropriate for this network.
	To view the certificate, click 'Show Certificate'.
?	Show Certificate Cancel Continue

You should now be joined to the Hawks-Secure network. Please open a web page to test your connection.

If you have questions about the network or need assistance, please contact us:
