## Wick Week 2022

Mark your calendar for our on campus new student orientation called **Wick Week** which will run from **Wednesday, August 24** through **Sunday, August 28**.

Join your Orientation Leader and **meet your new classmates, connect with student leaders on campus**, and participate in traditional Hartwick events while getting to know your way around our campus. Over these five days you will have the chance to **settle in** and **make Hartwick your home** as you prepare for your first semester. You'll learn more about what you can expect during your time on Oyaron Hill and what it means to be a Hawk — all while getting a taste of campus life, having fun, and making connections at all of our free social events.

Save the dates and we'll see you then!

## First Year Experience

From Wick Week to your First-Year Seminar, from **events in your residence halls** to **sessions sponsored by your success coaches**, the fall of your first year experience is designed to support your academic transition and success. **J Term Discovery Courses** and **21st-Century Skills** Modules round out a first year that is designed to **help you settle in** and **find your individual flightpath**.

## Discover Your Place

Hartwick's Discover Your Place first-year seminar gives you opportunities to **learn more about yourself** and **your strengths** as well as about Hartwick and Oneonta. In addition to helping **orient you to Hartwick resources** and the **places and people around you**, each seminar has its own academic focus related to the greater Oneonta area.
