Alternative Loan Confirmation Form

2023-2024

Name (print) _____ ID# _____

Phone Number _____ Email Address _____

We recently received notice of an approved alternative loan for the 2023-2024 academic year at Hartwick College, however, it appears that you have opted to decline or not finalize eligible federal student loan funds. Please be aware that federal student loans offer benefits that are typically unavailable through other loan programs, such as interest free periods, fixed interest rates, multiple repayment plans, options for deferment and loan forgiveness/cancellation under certain scenarios. We recommend exhausting federal student loan eligibility before seeking out alternatives.

Please confirm your intent by checking the appropriate box:

I plan to initiate the federal student loan funds listed on my financial aid offer letter. Please adjust my alternative loan accordingly. (recommended option)

I do not plan to pursue federal student loan funds at this time. By declining the funds, I understand that I am forgoing federal benefits that may be available to me.

If you need additional information or assistance with the student loan process, our office is available to help. Please contact your Financial Aid Counselor at 607-431-4130. You can also reach our office via email at finaid@hartwick.edu.
