## **2023-2024 Parent Refusal to Complete FAFSA Form**

You indicated that you are unable to provide parental information. If you cannot obtain parental information and want to be considered for a Federal Direct Unsubsidized Loan, you and your parent (or a third party if parent will not complete this form) must complete and sign all sections below and submit this form to the Financial Aid Office for review.

### **FOR THE PARENT:**

Note: Please be aware that providing financial information on the FAFSA in no way obligates you to provide any support to your child in their pursuit of higher education. It is only required to determine whether or not the student is eligible for any federal grants. By not providing this information your student cannot be considered for any grants, and would only be able to receive an interest-accruing (Unsubsidized) student loan of a limited amount. If you acknowledge this, yet still will not provide your information on the FAFSA, complete the remainder of this section.

I, \_\_\_\_\_, am the parent of \_\_\_\_\_.

**FOR THE STUDENT:** Your signature below indicates that you are affirming that your parents have refused to complete the FAFSA, have ceased to provide any financial support (including both cash and non-cash support such as room and board), and will no longer provide any support in the future, and that this action will enable you to receive an interest-accruing (Unsubsidized) student loan of a limited amount.

**If your parent refuse to sign this statement, then you must instead submit a signed statement from a third party such as a teacher, counselor, cleric, or a court official.** This statement must indicate the third party's knowledge of your relationship with your parents and with your parent's refusal to provide their information the FAFSA and/or complete this form.
