**Internship Checklist**

Internships require time to plan and coordinate. This checklist is to provide you with guidance from searching for an internship to registering your internship for academic credit.

---

**1. Plan**

Looking for an internship opportunity takes time. It is suggested that you start your internship search 3-6 months in advance. These steps will help you get started:

- Schedule an appointment on Navigate or attend drop-in hours to speak with a Career Coach
- Browse [Handshake](https://handshake.hartwick.edu/) for on and off-campus internship/job opportunities.
- Talk with a faculty advisor or mentor
- Review, [5 Things to Consider When Looking For An Internship](#)
- Schedule an informational interview with an [alumni](https://www.hartwick.edu/) or working professional in your industry of interest.

---

**2. Develop**

Finding internships can be either through job postings or from your network. It is important to be prepared and present yourself professionally by:

- Have your resume and/or cover letter reviewed by your Career Coach
- Talk with Career Development about creating a LinkedIn account or having it reviewed
- Schedule a mock interview with the Career Development & Network Engagement Office

---

**3. Register**

Students can gain up to 12 credits, during their time at Hartwick, in increments of 0-6 credits per internship. For every credit given, a student must work 40 hours at the internship. Academic work is also assigned, at the discretion of the internship coordinator. Students must register for credit before the internship.

- Review the internship policy & deadlines
- Talk with your Internship Coordinator about your internship details and ask for academic assignments & due dates
- Talk with your On-Site Supervisor about work responsibilities, start/end dates, work schedule, and internship job title
- Decide how many credits: 40 hours/credit hour i.e.: 1=40, 2=80, etc.
- Complete the internship registration form. You can also scan the QR code found at the top of the page.

---

**4. Reminders**

- Once your application is submitted, your form will be reviewed
- Before your internship can be processed for registration, all requested electronic signatures must be received.

Questions on the Registration Form

Important Information:
The Internship Coordinator - must be a full-time professor and anticipated to be on campus during the term of the internship and not on sabbatical. Credit is issued by the faculty supervisor’s department and the internship must be approved by that department’s chair before the internship is registered.

The Site Supervisor - is someone in a professional position (e.g. a volunteer coordinator, office manager, archivist, etc.) at the internship site who is able to make commitments on behalf of the organization and who will work closely with the student intern as well as college staff/faculty during the course of the internship, providing sound, professional judgment and mentoring in the skill areas assigned. The Site Supervisor provides on-site training, assigns job duties, and supervises the work of the student intern. The Site Supervisor must be present during the student’s internship hours, or ensure that another staff person will be responsible for the student’s supervision during the Site Supervisor’s absence.
