Bassett CARES Loan Repayment Program

OUR PROGRAM

The Bassett CARES Loan Repayment Program aims to provide graduates of SUNY Oneonta and Hartwick College with career exposure in healthcare.

Graduates working full-time at Bassett Medical Center or A.O. Fox Hospital can receive a stipend to help pay down federal student loans.

Selected graduates may earn up to \$25K in loan repayment. For every six months worked in a full-time role, the student will receive \$5,000 loan repayment. Stipends are taxed, as appropriate under IRS rules.

WHY CHOOSE US?

This unique program welcomes graduates from diverse backgrounds, encompassing all job titles and roles within the participating hospitals. Your journey to a fulfilling healthcare career begins here. Act now and embrace a brighter future with Bassett CARES.

ELIGIBILITY REQUIREMENTS

Selected graduates must be in a full-time position (36+ hours weekly) to receive the loan repayment stipend for the entirety of each six-month time block.

BENEFITS & PERFORMANCE

Full-time employees, including selected graduates, are eligible for a sign-on bonus applicable to the position, and benefit package. If a participant in this program is involuntarily terminated during a six-month time block, they will not receive the stipend.

PROGRAM ENROLLMENT

Fifty people will be selected to participate in this program in 2024. It will be re-evaluated annually. To enroll, current students must be graduating the semester you apply to work at Bassett.
