Commencement Information for the Class of 2024

Newsletters & Emails

These Commencement Newsletters will go out periodically leading up to your big day. They will have important dates and pertinent information, so please make sure you are reviewing them. Feel free to share them with family as well. These will also be posted on the school's Commencement page with other important information. Graduates, be sure to be checking your email on a regular basis as well!

Your Cap & Gown

Academic regalia will be handed out during the Cap and Gown Distribution. There is no cost for these items. Cap and Gown orders were included on the graduation application. This was done in October 2023. No further action is needed. College approved honor cords and affinity stoles are the responsibility of the participating department or organization, including eligibility and distribution to graduates.

For those unable to make one of the Cap & Gown pick-up dates, you must fill out a proxy form to have someone else pick up your cap and gown for you during the designated dates/times.

<https://hartwick.presence.io/form/cap-and-gown-proxy-form-2024>

Tickets & Guest Information

Commencement will be taking place under the large tent that will be set up on Elmore Field, located behind the Binder Physical Education Building.

Tickets are not required for any Commencement Weekend related events (Nurses Pinning, Art Reception, Senior Send Off or Commencement itself).

There is no limit to the number of guests a graduate may invite. We encourage our graduates to invite as many family and friends as they like. Information on guest seating and for those with mobility limitations will be outlined in more detail in our upcoming communications.
