

Hartwick College Hazing Transparency Report

Publication Date: 12/17/25

The federal [Stop Campus Hazing Act](#), signed into law on December 23, 2024, amends section 485(f) of the Higher Education Act, otherwise known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act). Notably, the bill also changes the name of the Clery Act to the “Jeanne Clery Campus Safety Act”, representing the Act’s evolution in addressing broad campus safety needs.

Hazing Transparency Reports must be published after a finding of responsibility for hazing, no later than December 23rd of 2025, and thereafter, no less than two times each year, and maintained for five years from the date of publication. The reports will not include any personally identifiable information in accordance with section 444 of the General Education Provisions Act (commonly known as the ‘Family Educational Rights and Privacy Act of 1974’).

Hazing Transparency Report Requirements:

Under the Stop Campus Hazing Act and effective July 1st of 2025, Hazing Transparency Reports must include the following when the College determines a finding of responsibility of hazing:

- The name of the student organization involved.
- The date(s) the violation(s) occurred
- The dates when any applicable College investigation or adjudication began and concluded.
- The date the College notified the student organization of its findings.
- A description of the violation, including whether it involved alcohol or drugs.
- The College’s findings and any related sanctions imposed on the student organization.

Hartwick College has not determined any findings of responsibility for hazing since the effective date of July 1st, 2025.
