

2026-2027 V5 Dependent Student Verification Worksheet

The federal system selected your 2026-27 FAFSA for a process called verification. If your FAFSA is selected for verification, these requirements must be met for us to finalize and disburse any eligible financial aid. If we need to make corrections, to reflect accurate information, your award amounts may change. You, and any parent whose information was reported on the FAFSA, must complete, and sign this worksheet, attach any required documents, and submit them to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible, so that your financial aid will not be delayed.
